Estimados amigos de la SIED

Avanza el año y resumimos aquí las novedades, más abajo encontraran las mismas ampliadas.

Las inscripciones para ENDO 2020 - evento que reunirá al 2º Congreso Mundial de Endoscopia y 24º Congreso Panamericano de Endoscopia Digestiva ya estan abiertas! Toda la información en ENDO2020.ORG

Vayan preparando sus videos ya que durante el congreso tendremos una nueva edición de la COPA LIBERTADORES DE AMERICA DE VIDEOS.

Por otra parte, les contamos que en breve enviaremos novedades sobre el inicio, el mes próximo, de una serie de WEBINARS SIED en cooperación con Telemedicina CMDLT de Venezuela.

A quienes concurren a la Digestive Disease Week® 2019 (DDW) los invitamos a las dos sesiones SIED: Best of ASGE DDW En Español el 19 de mayo de 2 a 3.30 PM y al Simposio ASGE/Sociedad Interamericana de Endoscopia Digestiva (SIED) el 21 de 4 a 5.30 PM.

Tenemos por delante el curso WEO International School of EUS (WISE) 2019 course de la WEO, donde los miembros SIED son bienvenidos a aplicar.

Les recordamos el CURSO HITEC (con descuento especial SIED), así como el calendario de congresos que iremos actualizando con su ayuda.

ENDO 2020

Message from the Presidents

After the resounding success of ENDO 2017 in Hyderabad, India it is with great pleasure that the World Endoscopy Organization (WEO) invites you to the 2nd World Congress of GI Endoscopy. ENDO 2020 will be held on March 7 - 10, 2020 in Rio de Janeiro, Brazil, one of the largest economic and cultural centers of South America. WEO has joined forces with the Brazilian Society of Digestive Endoscopy (SOBED) to host the second edition of this international meeting. We are also very glad to announce that the Interamerican Society of Endoscopy (SIED) will also support ENDO 2020 as collaborating partner holding the 24th Pan American Congress of Digestive Endoscopy within the meeting. As a result of this joint effort and with the support of our international scientific partners around the world, ENDO 2020 will present a comprehensive and innovative scientific program. Lectures and debates will address relevant local and global topics related to gastroenterology, hepatology and oncology from the endoscopist's point of view. An important highlight of ENDO 2020 is the live endoscopy demonstrations that will be held during three days of the congress from three different locations. A wide-ranging and interdisciplinary Learning Center for hands-on training will also be offered. ENDO 2020 will feature over 30 specialized symposia and expects to receive more than 5,000 participants from around the world. We look forward to welcoming you at the 2nd World Congress of GI Endoscopy and the 24th Pan American Congress of Digestive Endoscopy. ENDO 2020 in Rio de Janeiro!
